

**Group Soup Kiosk
Opening at First Friday Artwalk in Newberg
Friday April 7th from 5 - 8pm
Francis Park (corner of First and College)**

Subterra Restaurant, in conjunction with various departments of George Fox University and its students, has funded a community soup program to raise awareness of local food insecurity while celebrating the diversity of society through food and art.

Back in December of 2015, as a result of a Better My Town Challenge, Subterra donated a percentage of its gross lunch proceeds as seed money to start a program to buy raw product for making hearty soups and house-baked breads. We were able to accumulate enough money to fund the program and keep it going through the 2015/2016 winter season, and here we are for our second season!

Soup and bread will be served in Francis Square in downtown Newberg during First Friday Artwalks throughout the winter. Students from George Fox have made beautiful ceramic bowls for the occasion and will help with the marketing of the program and assisting in serving the meals.

Meals will be given away at no cost, or on a Pay-What-You-Want model for those wishing to donate to the future of the program. Ceramic bowls will also be available for purchase.

***Mark your calendars, we will be open for
First Friday Artwalk on December 2 of 2016, and for
February 3, March 3, and April 7 of 2017.***

Looking into the future, we hope to sustain funding for this program, and continue to feed those in need while integrating society in an artistic venue.

**Please come visit us and support our project!
And pass this along to anyone who might benefit from
or be interested to participate in our program!
Thank you!**
