1. Draw an oval
2. Mark the half way points of the oval. That is where your eyes are.
3. Draw the parts of the face that are labeled at each step.

HOW TO MAKE IT LOOK LIKE YOU

Look in the mirror and study your face. Examine the details that make you, you. Curly or straight hair? Blue, green or brown eyes? Freckles or dimples? Are you wearing any jewelry, glasses, or accessories? What about your favorite pet or animal, they can always be a part of your selfie portrait too! Oh and add color! Make the background, your clothing or your accessories pop.

Have fun and be creative!
